Janice,

We are in receipt of your proposed subpoenas to be served on UBSFS' clients for their depositions and documents, including, but not limited to, private and confidential information. We request that you withdraw these subpoenas, as they are harassing, vexatious, and can only be calculated to further disrupt UBSFS' and Barry Connell's business. In the event you do not agree to withdraw these subpoenas voluntarily, we intend to move to quash on Monday and seek all available remedies.

Regards,

Andrew S. Goodstadt
